18th March 2021

Dear Parents and Carers,

Thank you so much for your help and support as the children settle back into face to face learning. The whole school has come together through the story 'You be You'. All children have had their thoughts, feelings and 'voice' validated through activities linked to this simple story. All have been encouraged to talk and signposted to TAs, teachers and of course the wonderful Mrs Thomas and Mrs Evans (our ELSA lead), as well as celebrating that we are all unique and important and have had different lockdown experiences.

I hope a fun Friday, celebrating Red Nose Day by wearing red, will further serve to bring our community together. One of our 5 Ways to Well-being is linked to GIVING and encourages the children to reflect on charitable efforts and gratitude!

We acknowledge that this has been a very difficult time for everyone, so much so that words can't come anywhere near being able to express what we have all been through! Lockdown does however continue and we must remain vigilant and follow the government's rules and road map.

Reminder: Records of Achievement are scheduled to come to you via your child's Google Classroom account at 7.00pm on Monday 22nd March.

SCC Safer Travel Team Research & Survey for Parents of Primary Age Pupils

CPS school are assisting Surrey County Council's Safer Travel Team to undertake research with parents of primary aged pupils' types of travel to and from school.

The objective of the research is to develop a better understanding of the different types of travel, how frequently they're used, why that type is used, and if that preferred type has changed or been influenced by Covid-19 coronavirus.

Once the Safer Travel Team have collected and analysed this information provided by parents, their goal is to obtain a better understanding of journeys to school, so they can continue encouraging safer and more active travel to school for all children in Surrey.

Please could I ask that you review and complete the survey using the link below. The closing date for completing the survey is 11.59pm on 16th April and the survey should be completed for each child that attends our school. If you have another child which attends a separate primary school, please complete an additional survey.
