THANK YOU, GOODBYE AND WELCOME!

BACK TO SCHOOL!!! We are looking forward to getting closer to 'normal life' again after an utterly strange year... It's such a shame that we haven't been able to enjoy our school fetes, or the ball, but we've managed to fund raise in different ways and would like to thank those who have organised activities, taken part and donated. Every penny raised is appreciated and truly helps the school. Here's to us being able to get together (in person!) and raise even more going forward.

We'd like to take this opportunity to say a massive thank you and goodbye to the outgoing members of the PA team: Kate Harris (co-Chair), Sue Hobbs (Treasurer), Hilary Atherton (Communications) and Julia Cursiter (Fundraising). All of you have contributed and achieved so much for the school. Thank you! We wish you luck on your next endeavours. Hilary and Julia have joined the pool team to support Gemma in her quest to raise the money for the community pool.

We'd like to give our new members a big welcome to the team: Emma Miles (co-Chair), Ruth Box (Treasurer) and Tish Schoeler (Communications).

We still have one place to fill and that's heading up and overseeing fundraising. Responsibilities involve:

- Coordination and planning of all CPSPA fundraising activities with CPS & PA team (sign off on events, dates etc)
- Working with groups of volunteers to ensure that fundraising activities happen throughout the school year
- Establish groups of volunteers to run fundraising events, e.g. summer fete, Christmas Bazaar, Easter team, Summer Ball . Some events have established teams that run events every year.

Examples of all of the above can be provided.

Thank you!

Merci beaucoup!

What a race! 264 colourful CPS virtual balloons joined the Valentines race, travelling long distances and raising over **£620** for the Claygate Community Pool.

JOINING THE PA... OUR WONDERFUL JEN!

What a year! I'm fairly new to the PA team and since joining last year school life has been turned upside down with lockdowns and social distancing. I have two boys at the school in reception and Year 2 and their younger sister will be joining them in a couple of years, which is why I was keen to get involved behind the scenes. It's not exactly business as usual at the moment (gone are the Friday cake sales and large school fetes for the time being) but we've been busy brainstorming new fundraising initiatives and considering what we can do virtually as a school to raise much needed funds. Especially with the new pool coming later this year - every little bit helps!

The PA is open to everyone and all parents are welcome to the meetings which are held every term (you don't have to be part of the core team to attend). You'll be amazed at what you can do and contribute to the school by getting involved, even if it's only an hour a year!

MAKING A SPLASH!

Throughout all the lockdowns, the school
and volunteers running the pool project
team have been so busy behind the
scenes making this project come together
for us all to enjoy.

So many of us are missing jumping in the
pool to play with our friends and keeping
fit, but don't worry... Good things are
coming for our children, for our families

Community Development

Out in Uganda you will find primary school
children wearing your generously donated CPS
school uniform. Sarah from Faith in Action reports
that the Headmaster has been visiting the children
on his motorbike making sure they are keeping up
with their homeschooling. What a superstar! The
school has been closed since March but will
reopen in the New Year.

They have been busy building a new classroom
during lockdown ready for January! There will be
another collection next term of summer uniform
to support this Elmbridge charity doing fantastic
work in Uganda. Thank you for your support.
