

PE and Sports News

Autumn Term 2021

Autumn term saw the return of the full schedule PE curriculum and schedule of sports at CPS. Not only did we have the return of indoor PE lessons, but also several school run sports clubs, football matches and tournaments.

PE

Indoor PE lessons included indoor fitness, dance and gymnastics for KS1 and indoor athletics, fitness, dance and Mimi Muay Thai for KS2.

In outdoor PE, the lessons in KS1 concentrated on the teaching of ball skills (football, netball and rugby), while KS2 lessons were on football and hockey. The children appeared to really enjoy their PE lessons.

In the spring term the children will continue with their PE lessons, learning different sports such as gymnastics, rugby, netball and tennis.

Sports Clubs

Mornings Clubs: Netball Club for years 5 and 6, Football Club for Years 4, 5 and 6 and Running Club for Years 3 - 6 restarted in September.

All clubs were very well attended, despite some very cold / wet mornings! It was an absolute delight to see the playground, field and muga so full and lively with excited children involved in sport. These will continue in the spring term.

Sports Crew

10 of our Year 6 children recently took part in Sports Crew training. Our new Sports Crew Leaders will run lunchtime sports activity sessions for children in Reception, Year 1 and Year 2.

Football Matches and Tournaments

Esher District organises a variety of different leagues and tournaments across a range of sports for the 13 local primary schools to engage with and compete against on another.

This term we held our football leagues for both boys and girls from Year 5 and Year 6. Claygate completed all of our group matches and both the Boys Team and Girls Team finished top of their groups. Both have qualified to go through to the spring term semi finals. A great achievement.

There were 2 football tournaments held at Chessington for both our Year 5 and 6 teams. Each teams made it through to the finals; Year 5 won their tournament and Year 6 narrowly lost in a penalty shoot out. Again, an amazing result.

Some of our Year 6 tennis players took part in a tennis tournament at Esher Tennis Club where they came 2nd.

We are proud of our children. CPS has enjoyed a very successful term in sport and look forward to the spring term where there will be lots more opportunities for the children, in Years 5 and 6 and across the school to participate in sporting events.
