We are pleased to announce the return of the Claygate Primary School annual Fun Run. This is a great opportunity to keep the kids active as we head into the autumn term and for all of the new pupils and parents to get to know each other.

The Fun Run is open to parents and children, we do ask that there is at least 1 adult for every 2 children taking part so that you can take care of them on the route. The route will be marshalled at key points.
