

British Values

Promoting Fundamental British Values.

In accordance with The Department for Education we aim to actively promote British values in schools to ensure young people leave school prepared for life in modern Britain.

CPS children are encouraged to regard people of all faiths, races and cultures with respect and tolerance and understand that while different people may hold different views about what is 'right' and 'wrong', all people living in England are subject to its law.

The Key Values are:

- democracy
- rule of law
- individual liberty
- mutual respect
- tolerance of those of different faiths and beliefs

Across CPS we:

- Implement **democracy** through electing our council reps and holding our school council talk circles.
- Implement the **rule of law** by understanding that every action has both a negative or positive affect and leads to a consequence which is both negative or positive.
- Celebrate **Individual liberty** by providing opportunities for children to make choices and therefore gain independence within their thinking.
- Promote **mutual respect** by following our school's values which permeate our school rules.
- Understand and promote **tolerance** through learning about different cultures and celebrating and learning from our similarities as well as differences.
