

## Nursery Newsletter

6<sup>th</sup> January 2022

Happy New Year!

It was lovely to welcome back our children into Acorns Nursery. The children were really kind and friendly playing with their new friends and enjoyed showing them the classrooms.

This term we are going to learn about 'Transport'. We began the topic by listening to the story 'Rosie's walk' and learning positional language such as over, around and under. We also discussed different means of transport and the children confidently recalled their experiences travelling.

Ms Tamimi and the nursery team had a great first day back; the children shared their experiences over the Christmas holidays. They enjoyed getting back into nursery routine and meeting their friends.

### Red Acorns

The children enjoyed exploring our new train role-play area pretending to buy tickets and travelling by train. We introduced some vocabulary related to the topic to support imaginary play.

### Blue Acorns

During phonics, we recap rhyming words. This term we are going to learn about alliteration.

In maths, the children enjoyed completing a survey about how they travel to school and finding out what means of travelling is the most and least used.
