

Nursery Newsletter

20th January 2022

This week we focused our learning on cars. We listened to the story 'Mr Gumpys Motor Car' and discussed travelling by car and different sizes of cars. Some children recalled travelling by car and enjoyed sharing their personal experiences with their teachers and friends.

During continuous provision, the children enjoyed participating in a range of transport activities. They also learned road safety and travelling directions.

Red Acorns

The children learned vocabulary related to travelling by car and discussed who they have travelled with.

Blue Acorns

In maths, the children started to learn about one more and one less, in addition to counting numbers up to 5 and using full sentences to describe the number they have.
