

## Nursery Newsletter

10<sup>th</sup> February 2022

This week we focused our learning on aeroplanes. We listened to the story 'Maisy goes by plane' and discussed past experiences of travelling by plane. Furthermore, we explored the different parts of the plane and discussed the different transport options i.e. train, cars, boats and plane.

During continuous provision, the children enjoyed participating in a range of activities, which included drawing/ painting their versions of planes, transport junk modelling, mark making using sticks, painting with different materials such as cotton and sponges, investigating numbers in the water play. Sensory activities included searching for Lego in rice and arranging numbers in the correct sequence.

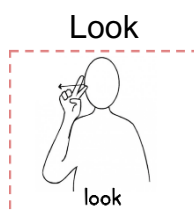

### Red Acorns

The children learned vocabulary related to travelling by aeroplane such as ticket, airport, wings, engine, flight, skies, and runways.

### Blue Acorns

In Maths, the children learnt to count down through songs and role-play. We sang songs such as Zoom Zoom. The children also explored creating the very hungry caterpillar using number plates.
