16 June 2022

Dear Parents and Carers,

The sunshine has been welcomed by all and we continue to be mindful of sunshine and temperatures. Please do send your child to school with a named hat and water bottle and please do apply sun lotion.

Our 'Calm Cabin' is our latest new addition to CPS.

It is situated at the top end of the field. This whole area is being developed as a quiet zone, slightly removed from the rest of the field and playgrounds. This area is home to our guinea pigs in our Quiet Quad and of course our chickens, mini apple orchard, wild garden and allotments! Eventually this will also have a physical separation from the main field when the pool fence is erected.

We still need to lay a small paved area around the cabin for all year round easy access!

As always, your views are important to us. Many of you take the time to approach us directly on the gate or contact us via email as appropriate. As we come to the end of the year the governors and I would like to hear your thoughts and would like to request that you complete the [Parent Survey](#) by clicking the link. This will be analysed and discussed at our annual governor strategy day. Thank you for your time in advance.

Lost Property

In order to minimise lost property we highly recommend that all items of your child's belongings are clearly marked with your child's name. Please be aware that pen or biro fades quickly and needs regular replacing, so name tags are a good idea.

Please include shoes, coats, bags, water bottles and lunch boxes in your labelling. If a named item is found, we will return it to your child so please make sure you do not lose items by naming them.

We do have a lost property box and unnamed items that have been found are placed in the box for approximately 4 weeks. Please [contact the school office](#) if you are missing an item. Before each second hand uniform sale, any unnamed items, which have not been claimed, will be donated to the PA.

Jammie & Nibbles

Please do contact Gill Kosbab in the office (gill.kosbab@claygate.surrey.sch.uk) if you are able to look after the guinea pigs one weekend, or during the summer holidays. Many thanks.

Claygate Flower Show - Saturday 9th July

Please see the attached flyer with details about how you can support CPS at the Claygate Flower Show.

Zip it to Stop MS

Well, what can we say - We did it!!!

Thank you to all that donated we are truly so grateful.

So far we have raised an amazing £1680 and donations are still coming in! If you would still like to donate please follow [this link](#).

On a personal note, I have been so overwhelmed with the love, support, and donations, it has left me speechless (something that never happens!). Raising awareness and support for MS was my aim and I think as a community we have done exactly that. So, thank you all so, so much!

JDRF One Walk London

To kick off Diabetes Week 2022, Mr Godfrey got involved with JDRF's One Walk London to raise money and awareness against Type 1 Diabetes. He said, "After being diagnosed just over three years ago, it was lovely to give back to a community which has supported me."

There were many people at the event including lots of families showing support for some of the younger diabetic warriors - even Mr Motivator was there to energise the crowd.

Mr Godfrey was extremely happy at exceeding his target amount and raising £456, which added to the whopping amount raised by the whole event which stands at £47,300.

If anyone would like to donate, you can visit Mr Godfrey's fundraising page [using this link](#).

If you would like to know more about Type 1 diabetes and how to identify the symptoms, click on [this useful link](#).

Support for Ukraine families

ACS Cobham are inviting Ukrainian families to meet together at their campus on Saturday mornings between 10-12 noon for conversation/activities/English lessons and to socialise. This initiative is being organised by Svetlana Hunter, one of their HS teachers. The address of the school is ACS International School Cobham, Portsmouth Road, Cobham, Surrey, KT11 1BL

Elmbridge Can are also running networking and support sessions and more information can be found on the attached flyer.

Sports Round-Up

Football

A big congratulations to our Year 3/4 girls football team who took part in their first tournament on Thursday. After winning all their group matches they went on to win their semi-final game.

The final was against St Paul's which went to a penalty shoot out. The girls bravely stepped up to take the dreaded penalties and won the tournament. An enjoyable and successful afternoon for us all.

Netball

Well done to both our netball teams who had their semi finals last week. The Blues played St Paul's on Wednesday and narrowly lost 6-8.

Burgundy played on Friday against St Lawrence, again losing by a tight margin, 8-10. Both teams played really well and were very dignified in their defeat. Very proud of you all.

Spurgeons Elmbridge Family Centres

Spurgeons Elmbridge Family Centres are looking to recruit Volunteers to help support running play sessions in the community and their increasingly popular Club 4 holiday sessions, which they are running at 4 locations this summer.

Please see the attached flyer for more information.
