

Newsletter

22nd June 2022

Dear Parents and Carers,

The sunshine has been welcomed by all and we continue to be mindful of it and rising temperatures. Please do send your child to school with a named hat and water bottle and please do apply sun lotion.

How lovely to have spectators at Sports Days again and thank you all for taking the time to thank the team and in particular Mrs Gee for making them so positive, fun and smoothly run. Year 6 should be proud of themselves! Each team worked hard, contributing to the overall totals. I would like to give my personal thanks to Mrs Gee, all of the staff, Year 6 and every single competitor (and of course, the grown-ups who raced too).

Look out for next week's newsletter which will be given over to a special Sports Day edition!

We are aware that some fab photos will have been taken across the five Sports Days. If you have any really good ones, please do email them to your child's class teacher.

We would also remind you that due to safeguarding, any photos / videos should NOT be shared via social media should they contain any other school children.

A request from Reception ...

Reception would be really grateful for the following donations for their junk modelling station:

- lids - any size
- egg boxes
- cardboard boxes - biggest size similar to a cereal boxes
- small plastic pots such as yogurt pots, butter, etc.
- Kitchen rolls

At this time, we cannot accept plastic bottles, milk bottles or any cardboard boxes bigger than cereal box size. Please use the box outside the green gate to add your donations and the Reception team will collect them every day after drop off time. Thank you.

Parking considerately

Please can we remind you to park considerately when dropping off, picking up or visiting school. One of our neighbours had their driveway blocked for over an hour yesterday, which caused them considerable inconvenience. Thank you for your help.

Headlice

Please be aware that a number of children in the school currently have head lice. Lots of information can be found [here](#). They are easy to treat and you don't need to buy expensive lotions as simply combing the hair through with conditioner and a fine toothed comb on a regular basis usually keeps them at bay.

Greenshaw High School

Greenshaw High School have let us know that their Open Evening has been postponed until **Thursday 29th September**. Further details will be available on their website nearer the time.

Year 2 – Windsor Castle Visit

On Monday 20th June, Year 2 visited Windsor Castle for the day for an interactive experience to learn about our Platinum Queen.

We acted out the Queen's coronation and the children were dubbed to become Sirs and Dames. We were lucky enough to be there at the same time as the Queen was in residence and the children spotted the Royal Standard Flag above the castle.

It was a fantastic day for the children and we even got to take home some memorabilia.
