Sports Day Special 2022

We were delighted to have our wonderful Sports Days, complete with spectators this year! We have a Sports Day Special Edition Newsletter this week to share a little about the events across the week.

Again, many thanks to Mrs Gee, Team CPS and of course our wonderful Year 6 helpers!

What an amazing 3 days of sports we had last week. The array of red, yellow, blue and green colours and the lovely sunshine was a sight to behold. All our children - from Acorns Nursery through to Year 6 - took part in a variety of sporting activities which reflected the activities that they do in their PE lessons. Reception through to Year 6 also took part in running races. The children competed with great enthusiasm and it was clear that they really enjoyed themselves.

The Year 6 traditional tug-of-war was fiercely fought amongst the house teams, with Ruxley finally ending as victors.

Well done to all the parents who bravely took part in the parents races, your children really enjoyed cheering you on.

A big thank you to the Year 6's who ran all the activities and accompanied the children around all the stations, encouraging them as they competed.

Over the 3 sports days points are collected and although different house teams won different days, the overall winners were the blue team, Ruxley.

Well done to all the children who showed great sportsmanship; we are all very proud of you.

Newsletter

Year 6

"I enjoyed escorting my group of Year 3s and Year 4s around on their Sports Day. I also liked the tug-of-war on Wednesday!" Luna J

"It was an amazing experience. I could tell that the pupils were having the time of their lives. I loved working with the younger years." Edward C

"I loved doing the races. It was great coming 2nd in my race by an inch!" William R

"The sun wasn't the only thing shining brightly Tuesday morning! **Key stage One** children came full of enthusiasm and energy... as did the spectators. The rotation of activities allowed the children to demonstrate their ability to persevere, show resilience and be a team-player. The CPS values were certainly evident as they remained Safe and Healthy, were courageous, respectful, responsible and friendly and all achieved."

Newsletter

Last Wednesday was a fun day where Year 5 and 6 students of CPS became young athletes and enjoyed a carousel of fun, exciting (and exhausting) sporting events. The children scored as many points as they could on each station before the running races started. This was the chance for the children to race against their peers and try to win an elusive golden ticket. There was a lot of enthusiasm and resilience shown on the track, and an abundance of team spirit exhibited on the side lines. After the excitement of the races, some Year 5 children were even chosen to help in the Year 6 tug of war, whilst others were still chuckling about how well their parents did in the adult race. Overall, a fun day was had by all. A few quotes from the children:

"It was amazing!"

"It was incredibly cool and Ruxley won. Ruxley are amazing!"

"It was fun, Blakenen didn't win sadly. My favourite thing was the javelin."

"I liked the sprint!"

Newsletter

"Rowan Class really enjoyed Sports Day and tried really hard on every activity. Our class specifically enjoyed the running races, high jump, netball, javelin and long jump. The parents cheered us on which encouraged us to do our very best. All years really enjoyed it and gave it their all."

"Year 3 had a wonderful sports day. We thoroughly enjoyed taking part in all the amazing team activities whilst the sun was shining.

Everybody demonstrated brilliant sportsmanship and upheld the CPS values."
