

## PE Report Autumn Term 2022

### **PE Lessons:**

All year groups have 1 indoor PE lesson and 1 outdoor lesson per week. Lessons follow the curriculum see website. We continue to follow 'Primary PE' for planning, progression and assessment.

Year 2-6 outdoor PE lessons delivered by class teacher with class TA if they have one and Mr. Williams our sports specialist.

### **Swimming Lessons:**

The swimming pool is due to open in January. Each class will be allocated a half term where they will have a block of 6-7 lessons, 1 per week.

This lesson will be in place of their indoor PE lesson.

CPS run football league group games in the Autumn term and the netball league in the spring term.

### **Football:**

This year we have boys A & B league and girls A league.

We have completed all our group games and have been very successful:

Boys A team: Into playoffs for a semi-final place

Boys B team: awaiting results from other matches to see if they will get into the final

Girls A team: into semi-finals

Due to popularity of girls football, AG has organised friendly matches: Friday 11<sup>th</sup> November CPS girls played St Lawrence and won 6-3. For many of the girls this was their first opportunity to play in a competitive football match. Their next match is arranged in December.

Naturally, opportunities arise over the year for sporting events and we offer A team opportunities, often catering for children who excel in a particular sport alongside events which cater for all children: our aim is to give as many children the opportunity to participate in a variety of different sports as we can. Our children take pride in representing the school and do so with great sportsmanship. Sport continues to be very important part of our curriculum and enrichment offer at CPS; something CPS takes great pride in.
