<i>Next Review Date</i>	November 2024

Special Educational Needs and Disabilities Policy

Statement of Intent

Claygate Primary is an inclusive values-led school. We are proud of all our children and aim to provide opportunities for every child to reach their potential through High Quality First Teaching. There is a shared expectation that all pupils, regardless of their specific needs, should be offered inclusive teaching which will enable them to make the best possible progress in school and feel that they are a valued member of the wider school community.

The range of support deployed will be tailored to individual need, following thorough assessment by internal or external agencies. We strive to promote opportunities for our children to become independent, courageous, resilient and ambitious learners.

This policy outlines the framework the school will use in meeting its duties, obligations and principal equality values in providing an appropriate high-quality education for pupils with SEND.

Through successful implementation of this policy, the school aims to eliminate discrimination and promote equal opportunities.

Claygate Primary school will work with the LA, or equivalent, in ensuring that the following principles underpin this policy:

- The involvement of pupils and their parents in decision-making.
- The early identification of pupils' needs and early intervention to support them.
- A focus on inclusive practice and removing barriers to learning.
- Collaboration between education, health and social care services to provide support.
- High-quality provision to meet the needs of pupils with SEND.
- Greater choice and control for pupils and their parents over their support.
- Successful preparation for adulthood, including independent living and employment.

Under the Equality Act 2010, a disability is a physical or mental impairment which has a long-term and substantial adverse effect on a person's ability to carry out normal day-to-day activities. For the purposes of this policy, a pupil is defined as having SEND if they have:

- A significantly greater difficulty in learning than most others of the same age.
- A disability or health condition that prevents or hinders them from making use of educational facilities used by peers of the same age in mainstream settings.
- Special educational provision that is additional to or different from that made generally for other children or young people of the same age by mainstream settings.

1. Legal framework

This policy has due regard to all relevant legislation including, but not limited to, the following:

- Local Government Act 1974
- Disabled Persons (Services, Consultation and Representation) Act 1986
- Children Act 1989
- Education Act 1996
- Education Act 2002
- Mental Capacity Act 2005
- Equality Act 2010
- The Equality Act 2010 (Disability) Regulations 2010
- Children and Families Act 2014
- The Special Educational Needs (Personal Budgets) Regulations 2014
- The Special Educational Needs and Disability (Amendment) Regulations 2015
- The Special Educational Needs and Disability (Detained Persons) Regulations 2015
- The UK General Data Protection Regulation (GDPR)
- Data Protection Act 2018
- Health and Care Act 2022

This policy has due regard to statutory and non-statutory guidance, including, but not limited to, the following:

- DfE (2015) 'Special educational needs and disability code of practice: 0 to 25 years'
- DfE (2015) 'Supporting pupils at school with medical conditions'
- DfE (2018) 'Working Together to Safeguard Children 2018'
- DfE (2018) 'Mental health and wellbeing provision in schools'
- DfE (2021) 'School Admissions Code'
- DfE (2022) 'Keeping children safe in education 2023'
- Equality and Human Rights Commission (EHRC) (2015) 'Reasonable adjustments for disabled pupils'

This policy operates in conjunction with the following school policies:

- Admissions Policy
- Pupil Equality, Equity, Diversity and Inclusion Policy
- Pupil Confidentiality Policy
- Data Protection Policy
- Records Management Policy
- Social, Emotional and Mental Health (SEMH) Policy
- Supporting Pupils with Medical Conditions Policy
- Child Protection and Safeguarding Policy
- Careers Policy
- Suspension and Exclusion Policy
- Behaviour Policy
- Complaints Procedures Policy
- Accessibility Policy

2. Objectives

Every school is required to identify and address the SEND of the pupils that they support. Through the implementation of this policy, the school will:

- Use their best endeavours to make sure that pupils with SEND get the support they need to access the school's broad and balanced curriculum.
- Ensure that pupils with SEND engage in the activities of the school alongside pupils who do not have SEND.
- Ensure there is high-quality provision to meet the needs of pupils with SEND, with specific focus on inclusive practice and removing barriers to learning.
- Fulfil its statutory duties towards pupils with SEND in light of the SEND code of practice.
- Promote disability equality and equality of opportunity, fulfilling its duties under the Equality Act 2010 towards individual disabled pupils.
- Make reasonable adjustments, including the provision of auxiliary aids and services, to ensure that disabled pupils are not at a substantial disadvantage compared with their peers.
- Designate a teacher to be responsible for coordinating SEND provision, i.e. the SENCO.
- Inform parents when they are making special educational provision for their child.
- Review, prepare and publish important information about the school and its implementation of relevant SEND policies, including:
 - Accessibility plans setting out how they plan to increase access to the curriculum and the physical environment for pupils with SEND.
 - Information about the admission arrangements for pupils with SEND and the steps taken to prevent them being treated less favourably than others.
 - A SEN information report about the implementation of the school's policy for pupils with SEND.

3. Roles, Responsibilities and Expertise

The Governing Body will be responsible for:

- Ensuring the school meets its duties in relation to supporting pupils with SEND.
- Ensuring that there is a qualified teacher designated as SENCO for the school.

The SEND governor, John Thompson, is responsible for:

- Supporting school to evaluate and develop quality and impact of provision for pupils with SEND across the school and update the Governing Body on this provision.
- Helping to raise awareness of SEN issues at Governing Body meetings
- Monitoring the quality and effectiveness of SEN and disability provision within the school
- Working with the head teacher and SENCO to determine the strategic development of the SEN policy and provision in the school

The Head Teacher, Sandra Cunningham, is responsible for:

- The day to day management of all aspects of the school, including the provision made for pupils with SEND
- Liaising closely with the SENCo and class teachers
- Organisation of appropriate training in relation to SEND
- Delegating support staff to classes.
- Ensuring that the Governing Body is kept up to date about any issues in the school relating to SEND.
- Ensuring that your child's needs are met

The SENCo, Marita Cunniffe, is responsible for:

- Coordinating day to day provision for children with SEND
- Line Managing the specialist SEND "team" of staff and developing the school's SEND policy.
- Providing specialist advice and facilitating training to ensure that all staff are skilled and confident about meeting a range of needs.
- Making referrals to and liaising with a range of agencies outside of school who can offer advice and support to help pupils overcome any difficulties Attending panel meetings, visiting potential children and meeting potential parents
- Assessing or organising assessment of children where there are additional concerns
- Administration surrounding Annual Reviews
- Meeting parents and carers at regular intervals or whenever necessary; ensuring parents and carers are kept informed and included in reviews and consulted about planning successful movement (transition) to a new class or school.
- Analysing progress of SEND children
- Updating the school's SEND register
- Reporting to Governors
- Ensuring that the Administration of Medicine policy is adhered to and that the medical needs of children are met

Class Teacher

If you have concerns about your child, you should speak to your child's class teacher first. You may then be directed to the SENCO.

The Class Teacher is responsible for:

- Adapting and refining the curriculum to respond to strengths and needs of all pupils.
- Checking on the progress of your child and identifying, planning and delivery of any additional support.
- Contributing to devising personalised learning plans to prioritise and focus on the next steps required for your child to improve learning.
- Applying the school's SEND Policy.
- Line managing additional TA support.
- Following any recommendations made by the SENCO or external specialist.
- Carrying out on-going assessment within class

Specialist Services

The school has access to a range of specialist services, including:

- Educational Psychology for assessment towards Education, Health, Care Plans.
- Speech and Language Therapy
- Language and Learning Support Service
- Physical and Sensory Support (including Visual and Hearing Impaired Support)

- Behaviour and Emotional Support
- ASD Outreach from Linden Bridge School
- CAMHS (Children and Adolescent Mental Health Services)
- School nurse
- REMA (Race Equality and Minority Achievement, including Traveller Support and English as an Additional Language (EAL))
- Occupational Therapy
- Counselling
- Home School Link Worker
- Children's Social Care
- Education Welfare Service

Other specialist support may also be accessed where there is a specific need.

4. Identifying SEND

The definition for SEN and for disability as outlined in the SEND Code of Practice (2014 updated 2015):

‘A child or young person has special educational needs if he or she has a learning difficulty or disability which calls for special educational provision to be made for him or her. A learning difficulty or disability is a significantly greater difficulty in learning than the majority of others of the same age. Special educational provision means educational or training provision that is additional to, or different from, that made generally for others of the same age in a mainstream setting in England.’ (<https://www.gov.uk/government/statistics/special-educational-needs-in-englandjanuary-2018>)

A disability under the Equality Act 2010 is defined as ‘...a physical or mental impairment which has a long-term and substantial adverse effect on their ability to carry out normal day to-day activities.’

We at Claygate Primary School recognises that early identification and effective provision improves long-term outcomes for pupils. As part of the overall approach to monitoring the progress and development of all pupils, it has a clear approach to identifying and responding to SEND as outlined in the school's SEN Information Report.

With the support of the SLT, classroom teachers will conduct termly progress assessments for all pupils, with the aim of identifying pupils who are making less than expected progress given their age and individual circumstances. Assessments across all areas of learning take place, for example via observation, conversations, work samples, liaison between school and home. In addition to our data tracking systems we use a range of approaches to make sure that children are making progress towards outcomes.

These include:

- Teachers and parents having open access to discuss any concerns with the SENCO.
- Termly pupil progress meetings which involve work scrutiny, reflection on attainment and discussion around every child. These are attended by teachers and the head and/or deputy head teachers.
- ‘Books looks’ by subject leaders and the SENCO to ensure that expectations for all children remain appropriate and high and that there is consistency across classes.
- Learning walks and lesson observations which take place regularly and ensure that expectations across the school and year groups are high. Other ways we may identify children with additional learning needs include:
- Concerns raised by parents/carers.
- Records passed on from pre-school groups/previous schools.
- Expression of concern from involved adult (e.g. parent, teacher, Health Authority)

'Less than expected progress' will be characterised by progress which:

- Is significantly slower than that of their peers starting from the same baseline.
- Does not match or better the pupil's previous rate of progress.
- Fails to close the attainment gap between them and their peers.
- Widens the attainment gap.

The school plans, manages and reviews SEND provision across the following four broad areas of need:

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and/or physical needs

5. Safeguarding

The school recognises that evidence shows pupils with SEND are at a greater risk of abuse and maltreatment, so will ensure that staff are aware that pupils with SEND:

- Have the potential to be disproportionately impacted by behaviours such as bullying.
- May face additional risks online, e.g. from online bullying, grooming and radicalisation.
- Are at greater risk of abuse, including child-on-child abuse, neglect, and sexual violence and harassment.

The school recognises that there are additional barriers to recognising abuse and neglect in this group of pupils. These barriers include, but are not limited to:

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the pupil's condition without further exploration.
- These pupils being more prone to peer group isolation or bullying (including prejudice-based bullying) than other pupils.
- The potential for pupils with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs.
- Communication barriers and difficulties in managing or reporting these challenges.

The Head Teacher and Governing Body will ensure that the school's Child Protection and Safeguarding Policy reflects the fact that these additional barriers can exist when identifying abuse. When using physical intervention and reasonable force in response to risks presented by incidents involving pupils with SEND, staff will have due regard for the procedures outlined in the school's Physical Intervention Policy.

Care will be taken by all staff, particularly those who work closely with pupils with SEND, to notice any changes behaviour or mood, or any injuries, and these indicators will be investigated by the DSL in collaboration with the SENCO.

6. SEND support

Claygate Primary School is aware of its statutory duty to provide a broad and balanced curriculum and recognise that high quality teaching, which is differentiated for individual pupils, is the first step in responding to pupils who have or may have SEND.

Teachers at the school will:

- Set high expectations for every pupil.
- Plan stretching work for pupils whose attainment is significantly above the expected standard.
- Plan lessons for pupils who have low levels of prior attainment or come from disadvantaged backgrounds.
- Use appropriate assessment to set targets which are deliberately ambitious.
- Plan lessons to ensure that there are no barriers to every pupil achieving.
- Be responsible and accountable for the progress and development of the pupils in their class, including where pupils access support from teaching assistants or specialist staff.

All children and young people should have the opportunity to reach their full potential. Surrey Ordinarily Available Provision is the support that mainstream Surrey schools and settings are expected to offer to children on role through their funding. It includes all the provision a school offers.

<https://www.surreylocaloffer.org.uk/practitioners/resources/ordinarily-available-provision>

Decisions on whether to make special educational provision for pupils will be based upon:

- Discussions between the teacher and SENCO.
- Analysis of the pupil's progress – using internal formative and summative assessments, alongside national data and expectations of progress.
- Discussion with the pupil and their parent.

Once a pupil has been identified with SEND, the school will employ a graduated approach to meeting the pupil's needs. This will be through the adoption of a four-part cycle – **assess, plan, do, review** – whereby earlier decisions and actions are revisited, refined and revised with a growing understanding of the pupil's needs and of what supports the pupil in making good progress and securing good outcomes. The process is as follows:

- **Assess:** establishing a clear assessment of the pupil's needs
- **Plan:** agreeing the adjustments, interventions and support to be put in place, as well as the expected impact on progress, development or behaviour, along with a clear date for review
- **Do:** implementing the agreed interventions and support
- **Review:** analysing the effectiveness of the interventions and their impact on the pupil's progress in line with the agreed review date

Where higher levels of need are identified, the school will access specialised assessments from external agencies and professionals.

Where, despite the school having taken relevant and purposeful action to identify, assess and meet the SEN of a pupil, they have not made expected progress, the school, in consultation with parents, will consider requesting an Education, Health and Care needs assessment.

EAL: The school is aware that there may be pupils at the school for whom English is not their first language and appreciates that having EAL is not equated to having learning difficulties. At the same time, when pupils with EAL make slow progress, it will not be assumed that their language status is the only reason; they may have SEND.

The school will consider the pupil within the context of their home, culture and community and look carefully at all aspects of a pupil's performance in different subjects to establish whether the problems they have in the classroom are due to limitations in their command of English or arise from SEND.

7. Early years pupils with SEND

All early years providers are required to have arrangements in place to identify and support children with SEND and to promote equality of opportunity for children in their care. These requirements are set out in the EYFS framework.

The school will ensure all staff who work with young children are alert to emerging difficulties and respond early.

The school will:

- Ensure that staff listen and understand when parents express concerns about their child's development, as well as listening to any concerns raised by children themselves.
- Monitor and review the progress and development of all children throughout the early years.
- Use its best endeavours to make sure that a child with SEND gets the support they need.
- Ensure that children with SEND engage in the activities of school alongside children who do not have SEND.
- Through school meetings and specialist support provide information for parents on how it supports children with SEND.
- Prepare a report on the:
 - Implementation of SEND policy and procedures.
 - Arrangements for the admission of children with SEND.
 - Steps being taken to prevent children with SEND from being treated less favourably than others.
 - Facilities provided to enable access to the school for children with SEND.
 - Accessibility plan showing how it plans to improve access over time.
- Inform parents when the school makes special educational provision for their child.
- Follow a graduated approach to assessing, planning, implementing, and reviewing provision and progress – the 'assess, plan, do, review' cycle.

8. Admission Arrangements

We welcome all children to Claygate Primary School and endeavour to ensure that the appropriate provision is made to cater for their needs. Pupils with special educational needs and disabilities will be admitted to Claygate Primary School in line with the schools' admissions policy and on an equal basis with all other children according to the criteria set out, taking into account the suitability of the child to mainstream education, and availability of resources and facilities to meet that child's needs.

Access for Disabled

In line with the 2002 SENDA and the 2006 DDA, the Head teacher and governors of the school have put in place an Accessibility Plan and a Disability Equality Scheme. Claygate Primary School is a single storey building and easily accessible for those who have issues with mobility. All pupil-accessed parts of the school are wheelchair accessible. We plan carefully to ensure that pupils with SEND can engage in activities available to those in the school who do not have SEND. All of our extra-curricular activities and school visits are available to all our pupils. All pupils are encouraged to take part in sports day/school plays/special workshops, etc. No pupil is ever excluded from taking part in these activities because of their SEN or disability.

9. Transition

The school is aware of the importance of planning and preparing for the transitions between phases of education and preparation for adult life.

Where pupils have EHC plans, these will be reviewed and amended in sufficient time prior to a pupil moving between key phases of education, to allow for planning for and, where necessary, commissioning of support and provision at the new setting. Staff members from the child's secondary school are invited to the final review

10. Involving pupils and parents in decision-making

The school is committed to working in partnership with all parents in the best interests of their child and will provide an annual report for all parents on their child's progress.

Where a pupil is receiving SEND support, the school will regularly liaise with parents in setting outcomes and reviewing progress. The class teacher, supported by the SENCO, will meet with the parents two times each year for a longer appointment.

The planning that the school implements will help parents and pupils with SEND express their needs, wishes and goals, and will:

- Focus on the pupil as an individual, not allowing their SEND to become a label.
- Be easy for pupils and their parents to understand by using clear, ordinary language and images, rather than professional jargon.
- Highlight the pupil's strengths and capabilities.
- Enable the pupil, and those who know them best, to say what they have done, what they are interested in and what outcomes they are seeking in the future.
- Tailor support to the needs of the individual.
- Organise assessments to minimise demands on parents.
- Bring together relevant professionals to discuss and agree together the overall approach.

Where the LA provides a pupil with an EHC plan, the school will involve the parents and the pupil in discussions surrounding how the school can best implement the plan's provisions to help the pupil thrive in their education, and will discern the expected impact of the provision on the pupil's progress.

Where necessary, the school will facilitate support from an advocate to ensure the parent's views are heard and acknowledged.

11. Funding for SEND support

Where additional pupil needs are identified the school will use its delegated funding allowance, outlined in Ordinarily Available Provision to provide early intervention support for the benefit of pupils identified with SEND.

Where pupils with SEND have been receiving early intervention support but are still not making sufficient progress, the school will consider accessing high needs top-up funding from the LA to provide additional specialist support.

12. EHC needs assessments and plans

The school recognises that, despite having taken relevant and purposeful action to identify, assess and meet the SEND of a pupil, some pupils may not make expected levels of progress. In these cases, the school will consult with parents and consider requesting an EHC needs assessment.

The purpose of an EHC plan is to make special educational provision to meet the SEND of the pupil, to secure the best possible outcomes for them across education, health and social care and prepare them for adulthood.

As part of the EHC needs assessment, the school will meet its duty by:

- Responding to any request for information as part of the EHC needs assessment process within six weeks from the date of the request, unless special exemptions apply as outlined in the SEND code of practice.
- Providing the LA with any school-specific information and evidence about the pupil's profile and educational progress.
- Gathering any advice received from relevant professionals regarding their education, health and care needs, desired outcomes, and any special education, health and care provision that may be required to meet their identified needs and achieve desired outcomes.

If, following the assessment, the LA decides not to issue an EHC plan, the school will be provided with written feedback collected during the EHC needs. It will use this information to contribute to the graduated approach and inform how the outcomes sought for the pupil can be achieved through further special educational provision made by the school and its partners.

Where the LA decides to issue an EHC plan, it must consult the prospective school by sending a copy of the draft plan and consider their comments before deciding whether to name it in the pupil's EHC plan. The school will meet its duty to provide views on a draft EHC plan within 15 days.

The school will admit any pupil that names the school in an EHC plan and will ensure that all those teaching or working with a pupil named in an EHC plan are aware of the pupil's needs and that arrangements are in place to meet them.

13. Reviewing EHC plans

The school will ensure that teachers monitor and review the pupil's progress during the year and conduct a formal review of the EHC plan at least annually.

The school will:

- Cooperate with the LA and relevant individuals to ensure an annual review meeting takes place, including convening the meeting on behalf of the LA if requested.
- Ensure that the appropriate people are given at least two weeks' notice of the date of the meeting, such as representatives from the LA SEN, social care and health services.
- Seek advice and information about the pupil prior to the annual review meeting from all parties invited, and send any information gathered to all those invited, at least two weeks in advance of the meeting.
- Ensure that sufficient arrangements are put in place at the school to host the annual review meeting.
- Contribute any relevant information and recommendations about the EHC plan to the LA, keeping parents involved at all times.
- Lead the review of the EHC plan to create the greatest confidence amongst pupils and their parents.
- Prepare and send a report of the meeting to everyone invited within two weeks of the meeting, setting out any recommendations and amendments to the EHC plan.
- Clarify to the parents and pupil that they have the right to appeal the decisions made regarding the EHC plan.
- Where possible for LAC, combine the annual review with one of the reviews in their care plan, in particular the personal education plan (PEP) element.
- Where necessary, provide support from an advocate to ensure the pupil's views are heard and acknowledged.
- Where necessary, facilitate support from an advocate to ensure the parent's views are heard and acknowledged.

- Review each pupil's EHC plan to ensure that it includes the statutory sections outlined in the 'Special educational needs and disability code of practice: 0 to 25 years', labelled separately from one another.

If a pupil's needs significantly change, the school will request a re-assessment of an EHC plan at least six months after an initial assessment. Thereafter, the Governing Body or Head Teacher will request the LA to conduct a re-assessment of a pupil whenever they feel it is necessary.

14. Supporting successful preparation for life journey

The school is aware that being supported towards greater independence and employability can be life-transforming for pupils with SEND. It recognises the importance of starting early, centring on pupil aspirations, interests and needs, supporting independence and will ensure that pupils are supported at developmentally appropriate levels to make a smooth transition to what they will be doing next, e.g. moving on to secondary school

The school will:

- Seek to understand the interests, strengths and motivations of pupils and use this as a basis for planning support around them.
- Support pupils so that they are included in social groups and develop friendships.
- Ensure that pupils with SEND engage in the activities of the school together with those who do not have SEND, and are encouraged to participate fully in the life of the school and in any wider community activity.
- Engage with secondary schools, as necessary, to help plan for any transitions.

15. Managing complaints

The school will publish the Complaints Procedure Policy on the school website.

Following a parent's serious complaint or disagreement about the SEND provision being made for their child, the school will contact the LA immediately to seek disagreement resolution advice, regardless of whether an EHC plan is in place.

The school is aware of the formal and informal arrangements for resolving disagreements at a local level and will work with the LA in responding to requests for information as part of procedures for:

- Disagreement resolution.
- Mediation.
- Appeals to the SEND Tribunal.

Parents will be made aware that Ofsted can consider complaints relating to whole-school SEND early years provision if the problem has not been resolved informally.

The school will meet any request to attend a SEND tribunal and explain any departure from its duties and obligations under the 'Special educational needs and disability code of practice: 0 to 25 years'.

16. Staff training and improving practice

The school is committed to the learning and development of all its staff members and training opportunities will be provided and delivered in line with the school's CPD and Training Policy.

The school SENCO will assess staff competencies and ensure that CPD provision allows staff to develop their awareness, skills, and practices in identifying, educating, and assessing pupils with SEND.

17. Use of data and record keeping

All information about pupils will be kept in accordance with the school's Records Management Policy and Data Protection Policy.

The school's records will:

- Record details of additional or different provision made under SEND support, with accurate information to evidence the SEND support that has been provided over the pupil's time in the school, as well as its impact, e.g. through the use of provision maps.
- Include details of SEND, outcomes, action, agreed support, teaching strategies and the involvement of specialists, as part of its standard management information system to monitor the progress, behaviour and development of all pupils.
- Maintain an accurate and up-to-date register of the provision made for pupils with SEND.
- Be kept securely so that unauthorised persons do not have access to it, so far as reasonably practicable.

The school keeps data on the levels and types of need within the school and makes this available to the LA and Ofsted.

Confidentiality

The school will not disclose any EHC plan without the consent of the pupil's parents, except for specified purposes or in the interests of the pupil, such as disclosure:

- To a SEND tribunal when parents appeal, and to the Secretary of State under the Education Act 1996.
- On the order of any court for any criminal proceedings.
- For the purposes of investigations of maladministration under the Local Government Act 1974.
- To enable any authority to perform duties arising from the Disabled Persons (Services, Consultation and Representation) Act 1986, or from the Children Act 1989 relating to safeguarding and promoting the welfare of children.
- To Ofsted inspection teams as part of their inspections of schools and LAs.
- To any person in connection with the pupil's application for students with disabilities allowance in advance of taking up a place in HE.
- To the Head Teacher (or equivalent position) of the setting at which the pupil is intending to start their next phase of education.

The school will adhere to the Pupil Confidentiality Policy at all times.

18. Publishing information

The school will publish information on the school website about the implementation of this policy.

The information published will be updated annually and any changes to the information occurring during the year will be updated as soon as possible.

The SEN Information Report will be prepared by the Governing Body and will be published on the school website. It will include all the information outlined in paragraphs 6.79 and 6.83 of the 'Special educational needs and disabilities code of practice: 0 to 25 years'.

19. Joint commissioning, planning and delivery

The school will work closely with local education, health and social care services to ensure pupils get the right support.

The school will assist the LA in carrying out their statutory duties under the Children and Families Act 2014, by ensuring that services work together where this promotes children and young people's wellbeing or improves the quality of special educational provision (Section 25 of the Children and Families Act 2014).

The school will draw on the wide range of local data sets about the likely educational needs of pupils with SEND to forecast future needs, including:

- Population and demographic data.
- Prevalence data for different kinds of SEND among children at the national level.
- Numbers of local children with EHC plans and their main needs.
- The numbers and types of settings locally that work with or educate pupils with SEND.
- An analysis of local challenges or sources of health inequalities.

The school will plan, deliver and monitor services against how well outcomes have been met, including, but not limited to:

- Improved educational progress and outcomes for pupils with SEND.
- Increasing the identification of pupils with SEND prior to school entry.

Where pupils with SEND also have a medical condition, their provision will be planned and delivered in coordination with the EHC plan.

SEND support will be adapted and/or replaced depending on its effectiveness in achieving the agreed outcomes.

20. Local Offer

The school's Governing Body will collaborate with and support the LA in developing and reviewing the Local Offer, where necessary and appropriate, to ensure that it is:

- **Collaborative:** Where appropriate, the school will work with LAs, parents and pupils in developing and reviewing the Local Offer. The school will also cooperate with those providing services.
- **Accessible:** The school will collaborate with the LA during development and review to ensure that the LA's Local Offer is easy to understand, factual and jargon-free; is structured in a way that relates to pupils' and parents' needs, e.g. by broad age group or type of special educational provision; and is well-signposted and -publicised.
- **Comprehensive:** The school will help to ensure that parents and pupils understand what support can be expected to be available across education, health and social care from age 0 to 25 and how to access it. The school will assist the LA in ensuring that the Local Offer includes eligibility criteria for services, where relevant, and makes it clear where to go for information, advice and support, as well as how to make complaints about provision or appeal against decisions.
- **Up-to-date:** The school will work with the LA to review the Local Offer to ensure that, when parents and pupils access the Local Offer, the information is up-to-date.

Find out about the services Surrey has to offer by clicking on the following link:

- [Surrey Local Offer](#) an Online hub for 0-25 year olds with special educational needs or a disability

Surrey SEND Information, Advice and Support Service (SSIASS) provides impartial and independent information, advice and support for young people and parents/carers of children with special educational needs or a disability (SEND) aged 0- 25. They can be contacted on 01737 737300 / ssiass@surreycc.gov.uk

21. Monitoring and review

The policy is reviewed on an annual basis by the Head Teacher in conjunction with the Governing Body; any changes made to this policy will be communicated to all members of staff, parents of pupils with SEND, and relevant stakeholders.

All members of staff are required to familiarise themselves with this policy as part of their induction programme.

This policy links to our policies on:

- SEN Policy
- Accessibility plan
- Positive Behaviour Policy
- Equality information and objectives
- Medical and Welfare Policy

The next scheduled review date for this policy is November 2024.
