If you decide to sign up for the Spring Term please follow the below steps:

- We have a new sign up system, which we hope will make the process easier! You can now create your child's profile once, see all upcoming sessions on the calendar and more. Once you have created the child's profile, you can download the SportMember app from the AppStore, to manage things on the go!
1. Follow this link below to create your child's profile.
