

Dear Parent/Carer,

Re: Hinchley Wood School Open Evening

On Thursday 26 September, we are holding our annual Open Evening at Hinchley Wood School for prospective students and their parents/carers. This is open to current Year 6, although we appreciate that if your child in Year 5 has an EHCP you will want to visit the school this year as your application deadlines are slightly different.

From Friday 13 September, on our website there will be an updated audio narrated presentation about our admissions procedures. It is always useful to watch this in advance of the evening so that you are aware of our Admissions criteria and how places were allocated in previous years.

In previous years, we have staggered the numbers of visitors on site and we found that students and parents/carers had a much more positive experience in contrast to the days when rooms were very crowded.

Please do pay close attention to the time slot allocated to you.

If you have a blue badge and an access requirement that would need a disabled parking space (and/or disabled access around school) please contact info@hinchleywoodschoo.co.uk by 12:00 on Tuesday 24 September.

There will be opportunities to ask questions of our staff and students at the Open Evening, however, if you have any specific questions, it is helpful for us to know them in advance so that we can ensure they are addressed on the evening, please submit them [here](#).

We very much look forward to welcoming you to our Open Evening.

Yours sincerely,
Ms Cachia and Miss Macdonald
