

CLAYGATE PRIMARY SCHOOL | YEARS 3 - 6

Afterschool Code Club_

In the first term, we dive into the world of **STOP-MOTION ANIMATION!** This course empowers teams to take their ideas from concept to screen. Using toys as their cast, participants will collaborate to develop engaging storylines, meticulously animate each scene, and combine their efforts into a final, polished film. The course culminates in an exciting screening where teams showcase their creative achievements.

The term continues with **WEB BUILDING!** Working in teams, our web developers will have fun planning and constructing an engaging website based on a topic they are interested in. Coding all elements of their websites, adding images and links. Turning imagination into reality!

**“You can’t use up creativity.
The more you use, the more you have”**
