N.B. Equity covered in three areas : • **Safeguarding** –. Governors need assurance that pupils are protected from discrimination, harassment and prejudice-based incidents, and that the school meets its duties under the Equality Act 2010. Ofsted also increasingly views inclusion, belonging and protected characteristics through a safeguarding lens. • **PSHE/RSHE** – monitoring curriculum coverage of protected characteristics, respect, relationships and preparation for life in modern Britain. • **SEND** – SEND is one protected characteristic-related area (disability), but protected characteristics are much broader and include race, religion, sex, age, gender reassignment, sexual orientation, pregnancy/maternity and marriage/civil partnership (for staff).
