

## Year 3's Weekly Celebration of Learning

**22.05.20**

Dear Parents, Sycamore Class and Hazel Class

Thank you all again for sending in your incredible work, we have loved looking at it all. We can't share them all in this newsletter but we do look at every piece. We can't believe how much you have all achieved this half term and are incredibly proud of you. You can definitely consider yourselves experts on the Stone Age and can also talk with confidence about all the different parts of a plant! You have also revisited fractions, multiplication and addition in Maths and have written some amazing pieces of descriptive writing.

Next week is half term and so we won't be setting any work for you. Please have a very well deserved rest and we hope you have lots of lovely sunshine. We really look forward to seeing you all again on Google Classroom from June 1<sup>st</sup>. Have a happy holiday and a big well done to you all, we are so proud of you.

Mrs Ali and Miss Tamimi

### Reminders –

- Do continue logging in to TT Rockstars as often as you can to help practice your times tables
- We have been receiving some incredible writing on the Stone Age and are keen to publish on Pobble! Please do let us know if you haven't signed up or given permission for your child to be published and wish to do so
