Dear parents/carers,
We would like to take this opportunity to let you know how excited we are to welcome your children back to school on Monday. Although school will look and feel very different for us all we cannot wait to see everyone's smiling faces.
There is a PowerPoint attached for you to share with your child to help prepare them for their return. Please also remember to explore the 'Preparation for the return to school' and 'Personal Hygiene' sections on Google Classroom.

Here are a few reminders:

- Children must bring their own plastic pencil case/sandwich bag (easily wiped clean) containing 2 writing pencils, coloured pencils, child's safety scissors, glue stick and sharpener. Please ensure all items are named.
- Box of tissues
- If you wish, Hand sanitiser (low alcohol content)
- If your child is having a packed lunch then please ensure this is in a disposable bag
- Wear **school uniform** (including jumper/cardigan) but please wear **trainers**
- Named full water bottle (large as it needs to last the day)

You will have already received information informing you what bubble your child is in. We have given each bubble the name of a flower as this fits with our science learning theme for the term. The names are as follows:

Sunflowers	Alder	Miss Spalton-Woods, Mrs Whittaker and Mrs Watkinson
Buttercups	Oak	Miss Hoy and Mrs Weekes
Primroses	Mixed Y1	Mrs Minter and Mrs Brewer

We are really looking forward to seeing you.
Best wishes
The Year One bubbles team
