- ✚ Talking about what makes us feel grateful

## Rabbits

The rabbits are looking forward to a summer of bouncing around in their foster home. They can't wait to see everyone from reception again and to welcome the new reception children.

## Phonics:

We have been recapping our phonics sounds this week and will continue to do so until the end of term. Please do practise phonics at home over the summer.

Phonics Play is a great phonics resource: <https://www.phonicsplay.co.uk/>

If you would like to continue phonics with Mrs Surther on line type 'Mrs Suther's phonics' and the sound you would like into your search engine.

## Goodbye Miss Seale

Thank you parents and children for such a fantastic first year at Claygate Primary! Reception has felt a little strange over the last term with children and adults being in different classes.

I know that Reception are buzzing with excitement as the summer quickly approaches. As the reception children move on into Year 1, I will be moving on as well, to work in Year 1 at a different school.

Thank you so much to Willow Class for making this year lovely, and for always putting a smile on my face. I am going to miss every child so much. I wish you all well in the summer holidays and in year 1!

## Goodbye and Enjoy your Summer Break

I and the Reception Team would like to say thank you, goodbye and good luck to Miss Seale in the next step in her teaching career.

I would also like to say it has been a privilege to teach your children and I look forward to seeing them continue to grow next year. This term we have all learnt to learn and teach in different ways. It has been wonderful to share learning experiences with the children both in bubbles and on google classroom. I wish you all a happy and safe summer holiday.
