

## Useful links for families from Surrey County Council

### Coronavirus information and advice:

- Surrey County Council Coronavirus - Official Information and Advice – <https://www.surreycc.gov.uk/people-and-community/emergency-planning-and-community-safety/coronavirus/latest-information-and-advice>

This includes details of community support and information regarding council services.

- All the latest information and guidance from Public Health England on coronavirus or COVID19 can be found on the [www.nhs.uk/coronavirus](http://www.nhs.uk/coronavirus) website.

### Online support

- Internet Matter.org offer information advice and support to parents to keep children safe online, this includes general tips to manage children's screen time
- Yvonnenebold: If your child suffers from violent and challenging behaviour, there is a wealth of video and online support: [www.yvonnenebold.com](http://www.yvonnenebold.com)
- Kooth offer free and anonymous online emotional support for children and young people
- Forums for young people: young people are likely to want to keep in touch with one another.

It is vital to encourage and support social interaction. Consider ways of bringing children together in supervised online groups using facilities such as ZOOM and Google

Classroom. This may be an appropriate time to consider focusing social interaction around enrichment activities e.g. a virtual book club, chess club, dance club.

Family Voice Surrey can also offer a great deal of support
