

Our Aims

<p>The vision we have for our the Ember learning Trust is of a strong partnership that helps us to:</p>	<p>Governors and school leaders have agreed the following goals for the next five years:</p> <p>We want to:</p>
<p>Develop outstanding teaching for all our learners by:</p>	<ul style="list-style-type: none"> • Delivering high quality and outstanding teaching. • Harnessing local resources efficiently in the interests of learning. • Creating the right conditions for enjoyable effective learning. • Developing the expertise of our staff to ensure all learners can achieve. • Ensuring that all learners make significant progress during their time at the school
<p>Increase the level of aspiration and opportunities for our community by:</p>	<ul style="list-style-type: none"> • Encouraging our whole learning community to have high expectations of our learners • Encouraging our children and young people to have high expectations of themselves • Encouraging our children and young people to become life-long learners. • Fostering creativity and innovation through an exciting and challenging curriculum. • Creating a sense of local pride and excitement in the possibilities of the wider world. • Supporting members of the local community in their efforts to learn and succeed.
<p>Realise the potential of all our young people in our community by:</p>	<ul style="list-style-type: none"> • Creating opportunities for our learners to experience different educational experiences. • Developing the resilience and confidence of our learners. • Creating more opportunities for learners to develop their emotional well-being. • Enhancing our provision of social and moral support for the young people in our schools.
<p>Improve transition for our learners across each key stage by:</p>	<ul style="list-style-type: none"> • Ensuring all schools work together to raise standards in each transition year. • Communicating the expectations and demands of each key stage effectively to parents. • Ensuring our learners experience continuity of learning when changing stages or classes. • Ensuring outstanding outcomes for learners moving into a new education setting.
<p>Develop our education partnership to include our parents and the wider community by:</p>	<ul style="list-style-type: none"> • Developing and sharing resources to improve outcomes for our learners. • Enabling parents and carers to make a positive contribution to learning. • Engaging local community organisations and extend what schools can offer. • Engaging other partners who can support our work to the benefit of our learners.

Our Values

Values	Details
SELF-HELP;	supporting learners, parents, carers and staff to help themselves
DEMOCRACY	giving our members a say in what we do.
EQUALITY	believing that the voice of each individual should be heard.
EQUITY	carrying out our work in a way that is fair and unbiased.
SOLIDARITY	sharing interests and common purposes with our members and other co-operatives.
