

## Year 2's Celebration of Learning

**21.07.20**

Dear Year 2,

The summer term is almost over, so we want to say that we have both been blown away by your enthusiasm, hard work and resilience (children, parents and carers) during this challenging time. What a great team you have been! It was great to talk to you during your transition visit and we know that you will love your time in Year 3. Thank you for all your very kind comments and cards,

With our best wishes for a very happy summer,

Mrs Davies and Miss Hoy

A little reminder: In the summer holidays, please keep using Times Table Rockstars, Doodle and you can use Oxford Owl and ? for reading as needed. Try to keep a diary to practise a bit of writing regularly too.
