

## Year 2's Weekly Celebration of Learning

14.05.20

We have been delighted by the high quality of your Christopher Columbus' reports and science booklets showing how we change through our lives. There's been lots of coding in computing and you have listened carefully to lots of new RE vocabulary, finding out more about how Muslims pray. You've done really well with column addition and subtraction this week and learned how to give and follow directions using points of the compass. Your alien art is fantastic and we have attached it here for you to enjoy.

A huge thank you to you for your continued support and enthusiastic learning, Mrs Davies and Miss Hoy
