

## ***Year 1's Weekly Celebration of Learning***

***15.05.20***

*Dear Year 1,*

*This week we have continued to see pure determination and commitment to learning at home. We have been particularly impressed with the enthusiasm displayed in all the weather reports and it was a joy for us to watch as we really do miss seeing everyone's smiling faces.*

*We have continued to see children engage in Doodle maths and would like to remind you to encourage your child to do little and often.*

*A huge thank you to everyone who submitted their drawing of an alien. Please see below how creative you and your class friends are, in the magnificent collage you've created!*

*Again we would like to take this opportunity to thank parents and carers for submitting lots of work to Google classroom and your commitment to supporting your child's home learning.*

*Enjoy the weekend!*

*Best wishes*

*Mrs Minter and Miss Spalton-Woods*

*A couple of reminders:*

- Please remember reading books can be found outside the office at school, on a Tuesday and Thursday, so you can change them when needed. May we remind you of socially distancing yourself from those not from your household.*

*This week we have continued to see some amazing writing.*

*Please take a look on Pobble to see the marvellous work from Amos, Daniel, Max C and Isabella.*

### *Donnie's weather report*

### *Digby's exploration of printing*

*Adam and Zachary's science learning on nocturnal animals*
